

Transport school Policy

DPS-Modern Indian School has implemented strict safety protocols to ensure the safety and security of our students during Saturday classes, We request all parents to kindly adhere to the following guidelines:

1. Private ID Card

(a) Notification for Change in Mode of Transport :

- If your child avails the school transport facility and you wish to switch to another mode of transport for Saturday classes, please inform the transport driver and send an official email by Thursday to:
 - principal@dpsmisdoha.com
 - transport@dpsmisdoha.com - This advance notice will help prevent any inconvenience.
 - **Private ID Card Requirement:** Students using private transport must carry their Private ID card to school. Parents should ensure that their children always bring Private ID cards when availing private transport.
 - **Replacement of Lost Private ID Card:** If the Private ID card is lost/ misplaced, a replacement fee of QAR 10 will be charged for issuance of a new card.
 - It is mandatory for the students using private transport to wear their ID cards for easy identification.
2. Parents should notify the school about the mode of private transport used by their wards for a hassle – free dispersal.
 3. Students should adhere to the school timing and schedule and avoid delays.
 4. If a student has no specific mode of transport, his/her card will reflect the same and any potential risk during travel will be the responsibility of the parents.
 5. If a student changes the mode of transport specified on his identification card, outside the school premises, the school will not be answerable.

6. The school does not take responsibility for the actions or behavior of private drivers who pick up or drop off the students.
7. The school is not accountable for student's undisciplined behavior and their safety and security during their journey by private transport.
8. Parents are advised to provide their wards road safety guidelines if their ward is walking back home, riding bicycle etc. It's required for the safety of the students to prevent any unforeseen situations.
9. The parents should ensure safe and timely reporting of their wards to school while using private transport. The school does not bear any accountability in this matter.

Thank you for your cooperation and continued support toward the safety and well-being of our students.
