

ALUMNI NEWSLETTER

VOL.-9

JANUARY-MARCH 2019

It is my pleasure to publish the Vol-9 of our Alumni Newsletter. The aim, wholly and solely, to bind our alumni community. The newsletter can help you to stay connected to your Alma Mater, from the faculty that taught and guided to support you as you pursue your graduation degree from the school. At the same time, I would urge you to think of the ways you can give back to the school to whatever degree you are comfortable. There are many ways to give back, from career and academic mentoring to volunteering time at on- and off-campus events to simply attending academic and social events. You will surely find, giving back has another benefit: it feels good. Please stay connected and make yourself proud to a DPSMIS Alumnus.
