## President's Message

Once again our Class X and XII students have proved their mettle in the recently declared CBSE Board Examination results. Success is always the result of commitment to excellence, intelligent planning and focused efforts. It is indeed a marvellous achievement for the school and undeniably puts a seal of excellence in the exemplary education imparted by the school. As the President of this school it is deeply satisfying to note the levels of content-ness of both our parent and students. We are happy to announce that we are rated the best school on the parameters of student and parent satisfaction. Consequently, it's gratifying to see our alumni studying in prestigious universities across the globe.

## Vice- President's Message

We are proud of the excellent Board results achieved by our students. Congratulations to our 2016-17 achievers! The stupendous success is the collective effort, dedication and commitment of students, teachers, parents and all the support staff alike. Well-qualified and dedicated educators, advanced facilities, digital classrooms with in-built audio-visual systems and modern teaching methods have helped DPS-MIS become one of the best schools in Doha. Continually looking out for improvement, we are close to achieving QNSA accreditation.

## Principal's Message

Our students continue to produce 100% pass results both in Class X and XII Board examinations conducted by CBSE, New Delhi. They have once again made the school proud by having topped Doha for the FIFTH consecutive year in the Class XII CBSE Board exams; thus reaffirming its numero uno position in academics. The credit for the stupendous victory not only goes to the students' ardent desire to excel but also to the parents for their unstinting support and the teachers for their determination and dedication. For us sky is the limit.... we continue to strive for excellence.
