

ALUMNI NEWSLETTER Vol-5 (September-December 2017)

You've all heard about the power of networking and building relationships. This Alumni newsletter and the Alumni Meet help you to strengthen your connection with your root, DPS Modern Indian School.

We are extremely proud of your achievements...we consider your achievements as our achievements and would love to cherish and celebrate the same. We wish you many more such achievements in the future and hope that you will make your alma mater proud of you.

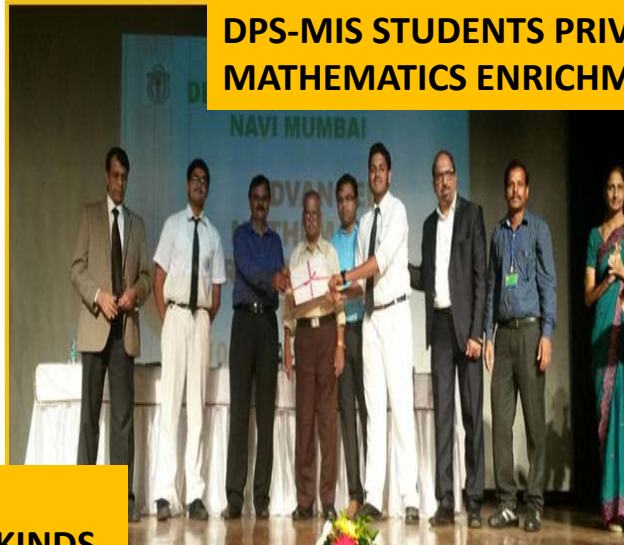

FROM THE PRINCIPAL'S DESK

- A founder can carry an institution only so far, and then others have to step in, even the alumni.- Shiv Nadar
- DPS-MIS organizes an Alumni Meet every year to celebrate and refresh old relationships and form new ones. It is an occasion when students gather at their Alma Mater, go down the memory lane and look forward for new interactions with new hopes. The alumni are thrilled to be back in the campus again and interact with their teachers, juniors and other staff. It also enables them to familiarize themselves with the developments at the alma mater.
- Most of our alumni study in reputed universities in India and abroad. They cover the globe in their search for knowledge and meaning, and their contributions make a difference everywhere. Some of them are even placed at top-notch companies. They acknowledge that DPS is a brand to reckon with in any part of the globe.
