DPS - MODERN INDIAN SCHOOL

It is my pleasure to publish the Vol-7 of our Alumni Newsletter. The aim, wholly and solely, to bind our alumni community. The newsletter can help you to stay connected to your Alma Mater, from the faculty that taught and guided to support you as you pursue your graduation degree from the school.

At the same time, I would urge you to think of the ways you can give back to the school to whatever degree you are comfortable. There are many ways to give back, from career and academic mentoring to volunteering time at on- and off-campus events to simply attending academic and social events. You will surely find, giving back has another benefit: it feels good. Please stay connected and make yourself proud to a DPSMIS Alumnus.

From the Principal's Desk

Congratulations to All the stakeholders! We take pride in sharing that DPS Modern Indian School has been placed as the Gulf Topper again after CBSE result declaration. This coveted feat is in recognition of the unstinted support, relentless effort, hard work and dedication that team DPSMIS put in to create the benchmark of excellence. We believe, Excellence is not a singular act but a habit.

Yes, we take pride on being a caring community of learners that fosters pride in developing each student's abilities while promoting values of share and care through different activities

The Alumni newsletter envisages bringing all the old students under one platform from where you can rejuvenate your memories, which you may not have remembered for ages. Through its pages, you will get connected with your days at your alma matar.

Regards
