Your Excellency

This is to inform you that a group of the undersigned Indians have been striving to set up a school following the Indian Curriculum which would impart qualitative education and provide students with the proper infrastructure to nurture and develop their hidden talents so that they can better their lot in the future. As the field of education is a vast one and requires highly professional and expert handling, we intend to enter in to a management contract for the day to day running of the school related to education and extra curricular activities with a reputed established institution from India, preferably Delhi Public School.

Further we have identified a Qatari Sponsor, Mrs. Aziza Ahmed Hassan, P.O. Box:11358, Doha, Qatar. We intend to start the school under the name of "**Modern Indian School**"

We kindly request you to provide us a "**NO OBJECTION CERTIFICATE**" which is required by the Local Ministry of Education.
